Will you make a difference?

### What is Will Aid?

Will Aid is a partnership between solicitors and nine UK charities. The campaign puts you in touch with participating solicitors who will draw up a basic Will free of charge. In return for this service, the solicitors hope you will donate to the Will Aid charities the fee they would normally charge.

*The suggested donation level is £75 for a single Will, £110 for a pair of matching or 'mirror' Wills, or £40 for a codicil to an existing Will.*

### What should I do next?

Call the Will Aid helpline to receive a list of your local participating solicitors and a Will-making guide. Or, log on to our website to find details of participating solicitors in your area.

Solicitors will draft Wills under the scheme in November. So call your local solicitor a few weeks beforehand to reserve a Will Aid appointment.

The donations collected by the participating solicitors will enable people to gain the equipment, skills, services and support they need to change their lives for the better, both here in the UK and throughout the world.
