

Prayer Fuel

4th October 2013

Some great answers to prayer the past few weeks

- ❖ The Board meetings went well, with some good positive resolutions that we can work on for the next year.
- ❖ Lovely time with Andy Tufnell and family, an extra bonus was being able to have an overnight stay in a beautiful lodge overlooking the River Nile.
- ❖ The child spacing programme went well in Midego, we had 60 couples at our training day. Many interesting questions. We had a family planning outreach in the market, 8 couples accepted longer term family planning methods, 42 couples were tested for HIV and praise God none were positive.

The next few weeks will be sad weeks as we say goodbye to 2 families.

One a lovely young American couple, who have been here for 8 years. They came as a young couple and now leave as a family with 4 children. Heather attended Joanna for all her ante-natal care and helped deliver their 2nd child. It is sad as we have had so much involvement with the family to say good-bye. They are going to St. Andrews in Scotland to study for a Phd. They have been involved with pioneering a programme on Bible storying. As most folks here are oral learners they have been working on how to make the Bible more appropriate for oral learners, some beautiful and exciting results from their work.

Allan and Anne Lacey, our CMS colleagues will be leaving after having been here for 6 years. Heather will be taking in some of the work Anne was involved with in the Health Department of the Diocese. Pray for wisdom how to manage the extra work load.

Pray for young mothers in Arua. The past week we heard stories of 3 abandoned babies all very heartbreaking stories and now the young mothers are in prison.

On the 16th & 17th October we will be having the Diocesan Council. Pray for wisdom for the leaders, the Bishop, Archdeacons and council members to be able to make wise decisions for the growth of the Diocese and that the Name of God will be glorified.

This week we have had our first harvest of the year from our coffee, we are now looking forward to some fresh coffee.

Heather will be speaking at Kuluva Chapel on Sunday on the theme " Serve the Lord with confidence"
