RECTOR'S LETTER

"It's a disaster!" cried out one of my teenage children, clearly distressed. "What's wrong?" enquired their father, sympathetically, and with genuine concern. "The Wi-Fi* has gone off!" came the reply. Paternal interest rapidly evaporating, my attention was drawn back to the interrupted task, but only for a moment as a further – slightly more significant – piece of information was passed my way. "And the power seems to be off, too." Now I was more interested. Had a fuse tripped? We had had problems with a kettle recently, and I wondered if the issue had recurred. But no, it turned out that the problem was not limited to our household, but a significant part of the village was without power, causing no small degree of domestic and commercial disruption. But other than an inability to keep up with social media for an hour or so, and having to make a cup of tea by boiling water over a gas ring rather than using a kettle, our household was not significantly affected by the short-term disruption to the power supply.

But the incident did get me thinking about what it is in our lives that we consider to be essential, how much we strive to keep those things in place, and how much we build our lives around them. For my teenage offspring, free Wi-Fi is considered a basic human need (and the main significance of electricity being to ensure that the Wi-Fi stays on). Most people across the world would consider something like clean water to be of greater importance, its absence for a relatively short time making human life impossible. But then how does one compare the importance of this to that of the very air we breathe, without which we could not last more than a few minutes? And what about the non-physical things...

The Easter Story Trail has finished!

Well done to everyone who completed the Easter Trail. We hope you learned to navigate your way around your village a little better whilst discovering some interesting art. For those who didn't take part, the 14 pieces of art will be displayed in All Saints' and St Matthew's for the rest of the week. Take time to have a look and read the artist's notes. There are additional pieces of artwork provided by the Scouts & Harwell Primary displayed in St Matthew's.

CONFIRMATION & BAPTISM

Would you like to be Baptised or Confirmed?

Baptism marks the beginning of the Christian life and Confirmation the point in the Christian journey at which you affirm for yourself the faith into which you have been baptised and your intention to live a life of committed discipleship.

A number of people have expressed their desire to do this, and so we are planning to have a special service of Baptism and Confirmation, possibly in the late summer or autumn. The service would be led by a bishop and would be a great opportunity to invite family and friends to celebrate with us, as we ask God to give power through the Holy Spirit to enable the candidates to live in the way of Jesus. If you would like to find out more, please speak to Jonathan or Pam, or see <http://tiny.cc/conf>

HARWELL FEAST

Harwell Feast is on Monday 29 May. Once again, St Matthew's has agreed to find volunteers to staff the BBQ/Pig Roast stall. We need a lot of volunteers as the stall is very busy and requires up to 8 people at any one time. There are 3 roles: taking the money, cooking sausages/burgers, and serving the food.

If you can volunteer for 30-60 mins sometime between 10.30am & 3.30pm on 30th May, please contact Jane Woolley; 221030; janemn.woolley@hotmail.co.uk. We need all the help we can get, so please do not assume that someone else will do it – we need you!

Almighty Father, you have given your only Son to die for our sins and to rise again for our justification: grant us so to put away the leaven of malice and wickedness that we may always serve you in pureness of living and truth; through the merits of your Son Jesus Christ our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen.
